

## Nordeste

(2 hr drive time Caldeira Velha-Hotel)

### 1) Miradouro de Santa Iria

The first stop of the day will be at the Santa Iria viewpoint. Enjoy the shots of the water alongside the dramatic cliffs and scenery out in the distance.

### 2) Gorreana Tea Factory

Once finished up taking in some views, head over the Gorreana Tea Factory – the one and only tea plantation in all of Europe. In the main building of the factory you can walk through the different rooms filled with tea making equipment, take part of a free tea tasting (both hot and iced), and finish up at the souvenir shop to bring home some tea for yourself.

What I would also recommend doing here is **walk across the street to the actual tea plantation fields.**

There is also a hike in the plantation (about 1.5-2 hours), however if you do not want to take part you can still walk through the beginning parts of the fields to see how tea is grown and take some nice pictures.

Simply make your way back through the main driveway, cross the street, and follow the dirt path up the fields.

### 3) Parque Natural da Ribeira dos Caldeirões

Moving along the northern coast is **Parque Natural da Ribeira dos Caldeirões. Here you will find plenty of greenery, waterfalls, and wildlife sprawled throughout the area.**

There are a few main walking paths that wind their way around the park, and you can just take some time enjoying the scenery around you.

**4) Miradouro da Despe-te Que Suas**

**5) Miradouro of the Farol de Arnel Lighthouse**

**6) Miradouro da Vista dos Barcos, EN1-1A 23, Nordeste, Portugal**

**7) Miradouro da Ponta do Sossego**

**8) Miradouro da Ponta da Madrugada**
