The Art Program?

The painting workshops are taught by accomplished abstract artists, who are wonderful instructors as well. The teaching style is relaxing, nurturing and free from judgment. You'll be free to discover your own creativity, even if you have never held a paintbrush. You'll be exploring the forgiving style of abstract painting with acrylics on paper, wood and canvas, using brushes and artists tools. This inspiring environment, along with regular Chardonnay breaks, will free you of any creative paralysis that may be holding you back. In the end, you'll surprise yourself by developing your own style and technique.

The Location?

Carmel-by-the-Sea was established at a bohemian artist and writers colony after the 1906 San Francisco earthquake. Since then, it's been the home and inspiration greats such as Jack London and Ansel Adams. Today's Carmel has that same sense of beauty and promise. The pristine white-sand beach, narrow streets shaded by 100-year old trees and huge variety of art galleries will endlessly inspire you. You'll find many cozy restaurants and cafes throughout the village, with menus to meet every culinary desire. Carmel is also a shoppers heaven, where you'll find anything from find hand-crafted treasures to high-fashion and shoes.

Accommodations are distinctively appointed and comfortable and include a light breakfast in your room. Guests are also welcome to enjoy amenities at the Cypress Inn such as the courtyard breakfast, the cozy fireplace living room, and Terry's Lounge restaurant and bar.
