Guests under age 18 must have parent or guardian permission to call.   - All Walt Disney World Resort table-service restaurants that accept reservations offer balanced menu choices and can accommodate lifestyle dining options (such as no sugar added, low-fat, low-sodium, vegetarian or vegan). Please advise a Cast Member of your request at the time you place your order and he or she will be happy to assist. For dinner shows, 24-hour notice is required for any lifestyle menu request. Our quick-service locations also offer balanced menu choices and can accommodate most lifestyle dining options.
  - All Walt Disney World Resort table service restaurants that accept reservations may accommodate special dietary requests (such as allergies to gluten or wheat, shellfish, soy, lactose or milk, peanuts, tree nuts, fish, or eggs) if requested in advance. Please contact [specialdiets@disneyworld.com](mailto:specialdiets@disneyworld.com) at least 2 weeks prior to your table-service reservation or quick-service dining experience. If you are booking within 2 weeks of your reservation date or otherwise wish to call about your special dietary request, please call (407) 824-5967, 8 a.m. - 5 p.m., Monday - Friday. Calls outside of business hours will be returned the next business day. You may also ask to speak to a chef upon arrival at the restaurant.
