Radek Cell +1 847 456.0545 Radek Office +1 312 810.9004		VISA for Turkey (online)			If you order one for an airport transfer, just get on the free airport wifi and click the app. They pick you up and drop you off in the Kiss and Fly drop off zone (which is on the upper floor in terminal 2). The app tells you exactly where to meet your driver at the airport and you just look for the driver and car (photo is on your phone). I usually takes them 10 minutes to arrive. UBER Berline = Sedan
